4" & 6" Disk Light LED

3Way CCT Adjustable

Installation:

2 in 1 Recessed & Surface Mounted

A - Retrofit

B - Surface Mounted

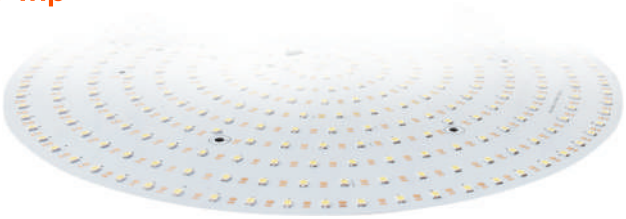
Light Distribution

Perfect LED Mounting

Uniform Light Distribution

Black dots & shadow on the light, un-uniform lighting, which are the headache in LED panel field.

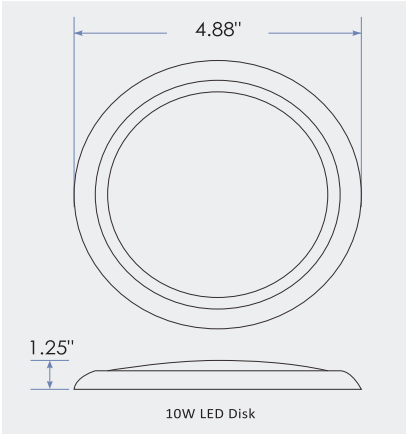
The LED Trip



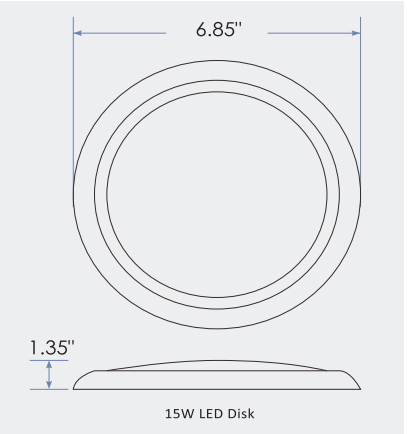
- SMT technology, ensuring accurate positions for LEDs on FPCB
- Good quality LGP & diffuser plate
- Stable design for the whole structure

Above ensures uniform lighting, no black dots & shadow.

Dimension:



10W LED Disk



15W LED Disk
